STUDENT SAFETY ADVISORY COMMITTEE (SSAC)

"School safety" has been defined as creating safe environment for children starting from their homes to their schools and back. Children require a healthy and supportive environment to grow and develop.

Objectives

- Prevention of human and economic losses from personal injury and property damage.
- Prevention of losses from fire.
- Ensuring the safety, protection and well – being of students and staff.
- Safe schools promote the protection of students from violence, exposure to weapons and threats, theft, bullying and use of illegal substances on school grounds.
